Working Prototype Known Problems Report
Product Name: Script Scribble
Team Name: Scribblers
Date: 11/29/17

<u>List of Functions Not Working:</u>

1. Nesting blocks within other blocks doesn't appear right (the outer one doesn't stretch to fit the inner ones)
2. The snapping together of blocks doesn't work right on every screen resolution
3. If, Else, and While blocks (and by extension condition and relation blocks) don't work properly due to the snapping into place not functionally working
